

Niki Dandolou

Special Secretary for European Social Fund Programmes at Ministry of Development and Investments

About

Civil Engineer (transport) and MBA, with professional experience in both the public and private sectors, in London, UK and Greece.

Involved for more than 15 years in growth and development policies and projects: sectors of transport, shipping, energy, public finances and cofinanced programmes (EU and EEA funds).

Thorough command of EU and regulatory affairs, having assumed positions of responsibility. Representative of the Hellenic Republic in international organisations and fora (European Commission, Council of the EU, EIB, ECB, IMF, UN-IMO, OECD-IEA, EEA-FMO, foreign governments).
